# POLES & BOLLARDS

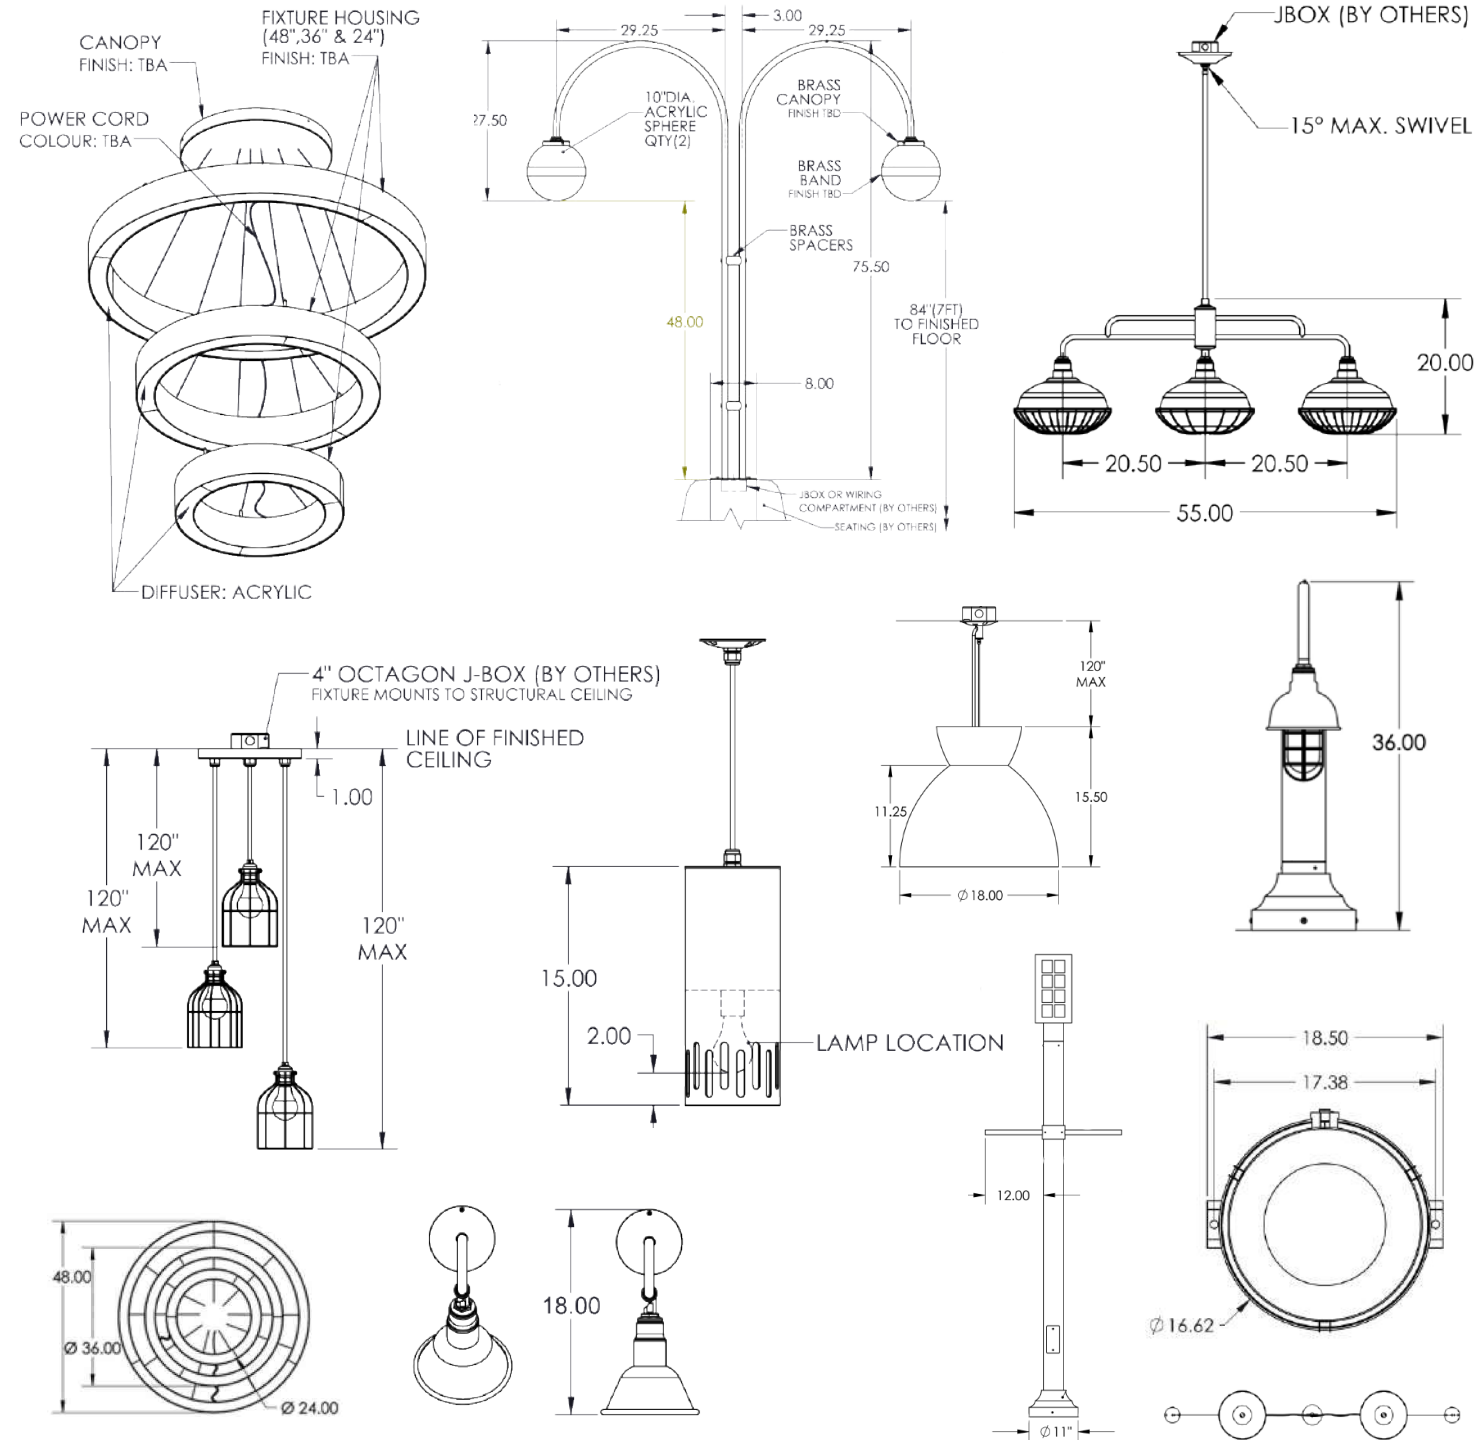

# PAINT FINISHES

# ACOUSTIC

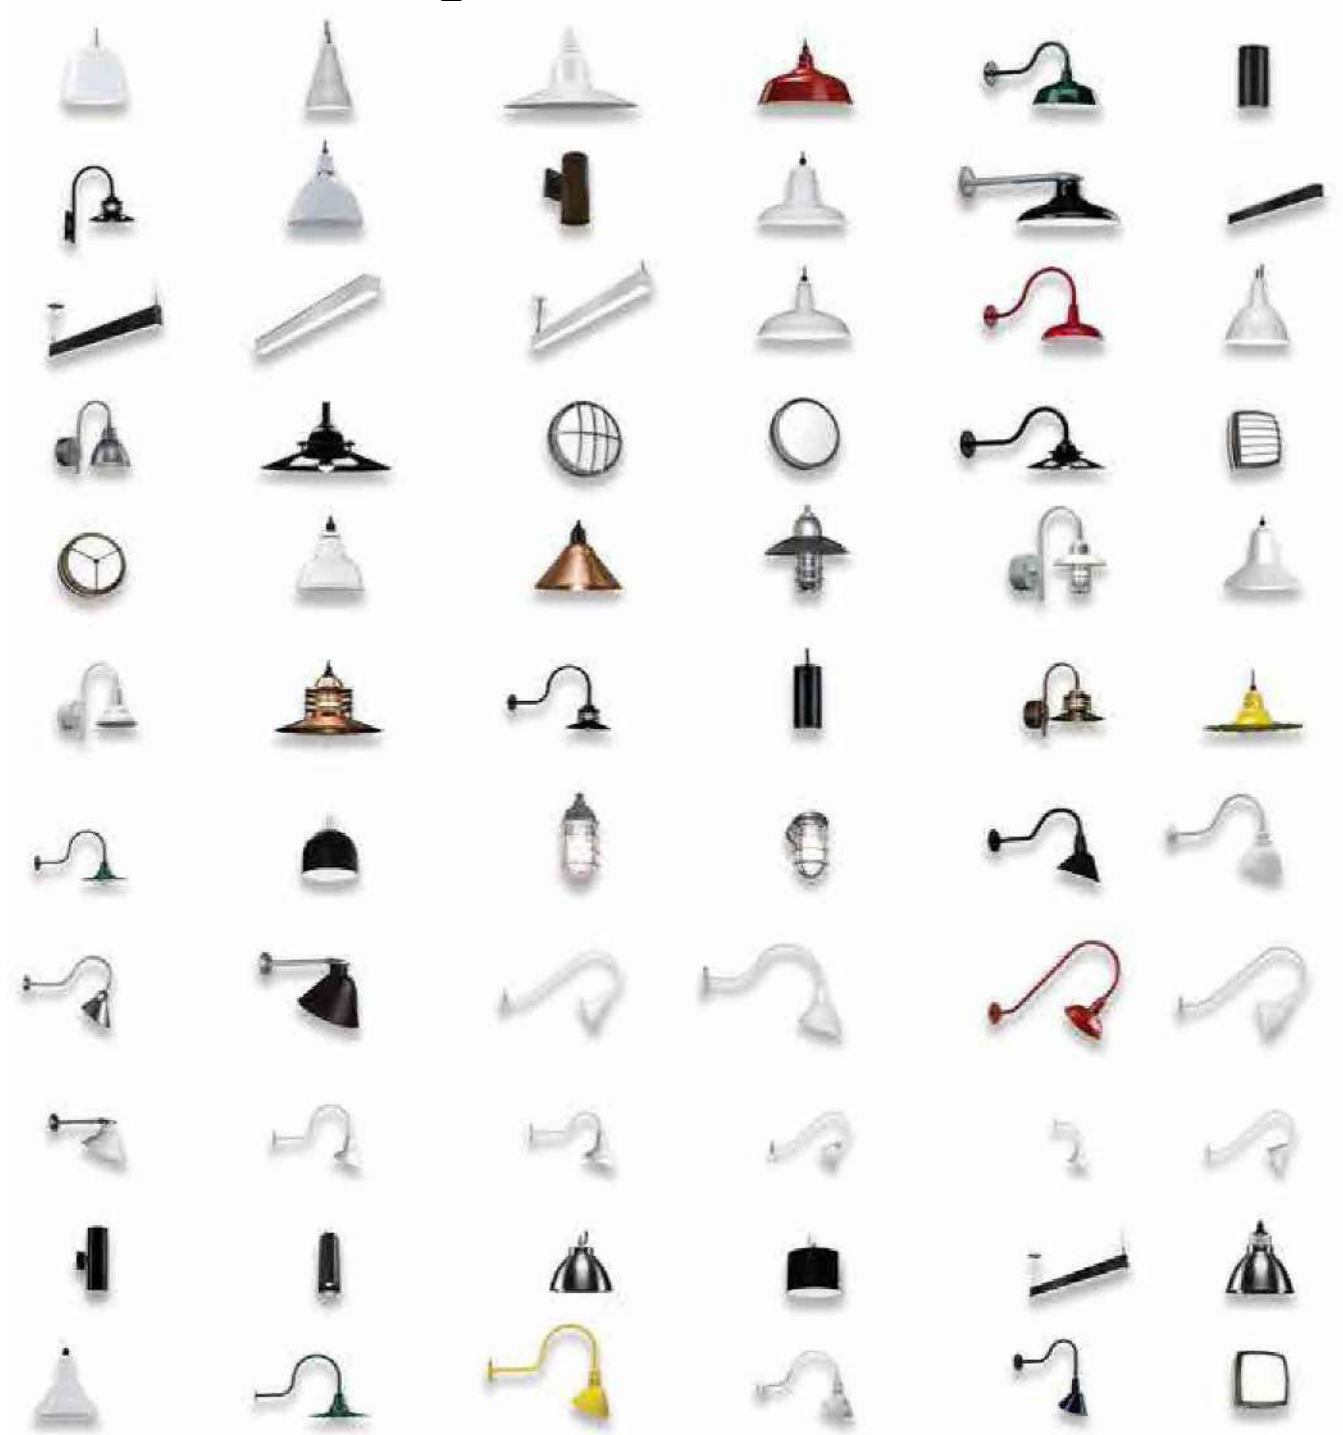

# MODIFICATIONS

We recognize your need for unique aesthetics and performance at an affordable price point! Common mods include specific shapes & dimensions, altered light output, power over suspension cables, custom finishes, wet location, modified mounting laser-cut graphics, tunable LED color, trim details and more!

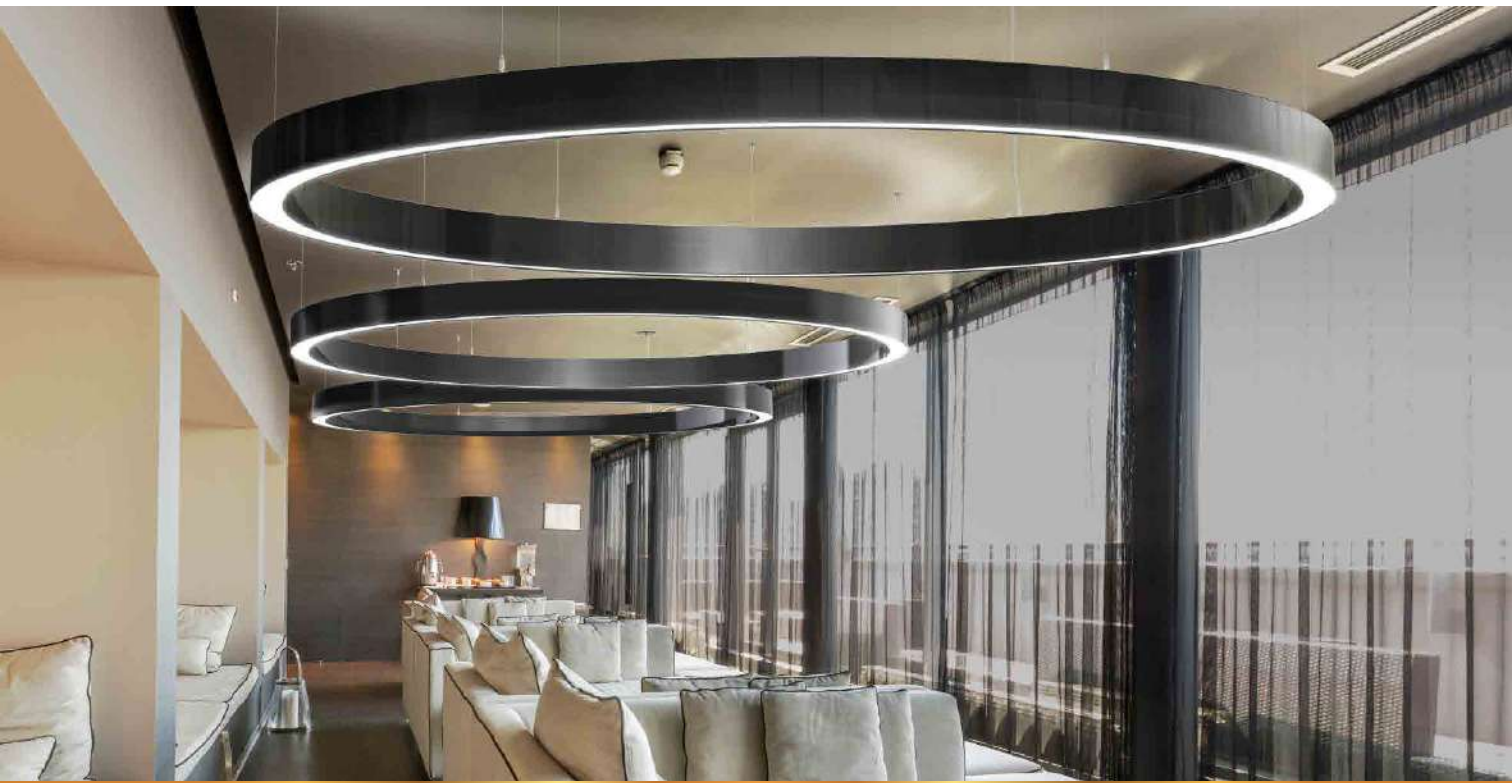

# QUICK SHIP

We keep your projects on schedule! Ship these products in 10 business days or less. Go to [TMSLighting.com](https://www.TMSLighting.com) and search Quick Ship to find products with the QS symbol. Other standard product lead times are 6-8 weeks.
